Dear Friend:

About this time each year we have our Annual Cellar Clean-Up Sale of all stock still remaining in our large tree cellar in good dormant condition.

Comparatively speaking, our stock is quite limited this year, but we do have a nice surplus in the following stock, and in order to give you the advantage of this, we have cut the prices way below cost, only while our present supply holds out.

There is still plenty of time to plant out shrubs and trees, as long as the stock planted is in good dormant condition. All the stock offered here is in good condition and it will grow and do well for you if it is properly planted and cared for after you receive it. In filling your orders from this sale, we reserve the right to substitute with similar kind and value if we are out of any item when your order is received from this Sale Sheet. Because of low prices quoted, please have all orders for \$1.00 or more.

Prompt shipment of all orders, if possible the same day received.
